## SELECTMEN'S REPORT

Last year we mentioned the State of New Hampshire addressing the school funding problem. As you know, the issue is not resolved yet. Please keep the pressure on the legislature to fix this problem once and for all. During the 2000 tax year we did receive a net of \$ 6,383 INCREASE of our total property tax commitments. Because of slight assessment increases and revenue increases, our tax rate actually reduced 13 cents.

For the 2001 budget year, we expect the same level of tax relief from the state, and thus we have kept the town spending at a level similar to last years budget. Included are some expenditures for items that had in the past been put off. We anticipate keeping the same level of funding for future years, as long as the legislature continues to keep the education funding level up. Unfortunately, there will be a substantial increase in the school portion of our tax rate this year. The bulk of this is the result of well over \$1,000,000 increase in the Special Education Budget in the Monadnock School District this year.

It is the opinion of the Selectmen that we all need to contact our congressman, Rep. Bass, and our Senator, Judd Greg, to take a hard look at the whole federal Special Ed Program to make improvements, to make better accounting and more accurate coding, and refinements to cut down on the terrific abuses that now exist. Secondly, we should seek for full funding of the Federally mandated program.

This year the fire department has enlarged and beautified our fire station which is now the envy of most fire departments in Cheshire County. Again, our town has shown its frugality in that the actual amount of money spent on the building is extremely low for the tremendous building that they have created. A lot of thanks must go to our fire chief, Bill Johnson, all the volunteer firemen, Guy Lounder, Harlen Maguire, and Gail Pratt for their part in this handsome undertaking.

Unfortunately, the survey of the Frog Pond land was not completed in time for a reporting to you at Town Meeting. The surveyor had an unusually large slate of projects that he was working on. When he got to our project, he ran into a very unusual situation that no one foresaw. Some of the deeds had descriptions to the edge of the river, which no longer goes through where the Frog Pond is now. Trying to research exactly what happened in 1935 when the new road was built has been a very difficult challenge. We have no answers this year, but next year we should have good answers.

We are investigating a very reasonable solution to the potential sewerage problems in the village. Early estimates indicate that the total installed cost will be  $\frac{1}{4}$  to  $\frac{1}{3}$  of the original system proposed and yearly operational costs will be only a fraction of what the first proposed system would cost. The potential looks very hopeful to us at this time.

Sincerely, The Selectmen

THE STATE OF NEW HAMPSHIRE  
TOWN OF GILSUM 2001 WARRANT

THE POLLS WILL BE OPEN FORM 1:00 PM TO 6:00 PM

To the inhabitants of the Town of Gilsum, in the County of Cheshire, in said State, qualified to vote in Town Affairs: You are hereby notified to meet at the **Congregational Church Vestry** in said Gilsum on **Tuesday, the 13<sup>th</sup> day of March 2001, next at 1:00 PM** in the afternoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Are you in favor of the adoption of **Amendment # 1** as proposed by the Planning board for the Gilsum Zoning Ordinance as follows:

*To amend the provisions for the Rural Residential District (Article III, B) by eliminating all commercial and light industrial uses. The purpose of the change is to maintain the rural character of the district, and minimize impacts on town roads by directing heavy traffic to the state highways?*

3. Are you in favor of the adoption of **Amendment #2** as proposed by the Planning Board for the Gilsum Zoning Ordinance as follows:

*To allow wireless Telecommunications Facilities in all districts (rather than only in the Rural Residential district) subject to the conditions of Article VII, H., and Site Plan Review by the Planning Board, provided that all efforts are made to disguise, camouflage or hide them?*

**The business meeting will be called to order in the TOWN HALL at 7:30 PM to act on the following subjects:**

1. To see if the Town will vote to convey to the Gilsum Historical Society the Town Hall and old fire station together with land identified as Map 407, Lot 114, and to authorize the Selectmen to execute a deed and any other documentation necessary to complete the transfer; and further to appropriate and to convey to the Gilsum Historical Society an amount not to exceed **\$21,000**, which represents the balance in the Town Hall Capital Reserve Fund so that they may seek matching grants for restoring the Town Hall. If this article fails, article 2 will be passed over, and the special Town Hall Committee established last year is charged to seek a qualified contractor to identify the necessary repairs to bring the building into full compliance with all applicable codes necessary for a building usage as a *public place of assembly*, including ADA, Life Safety, NEC, BOCA Building Codes, and NH energy codes, and to establish itemized cost estimates, and to bring them to the selectmen by January 1, 2002 so that the selectmen may include the necessary information in a warrant article(s) for the 2002 Town Meeting. *(The selectmen recommend this appropriation) (The Budget committee does not recommend this appropriation) (Ballot vote requested)*

2. To see if the Town will vote to discontinue the Town Hall Capital Reserve Fund established in 1970. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. (*The Selectmen recommend this appropriation*) (*The budget committee does not recommend this appropriation*) (Majority vote required).
3. To see if the Town will vote to authorize the Selectmen to appoint a standing advisory committee to manage the renovation and maintenance of the Gilsum Historic Town Hall and old Fire Station and prepare a long-range plan for completing said work, consistent with safety, legal and preservation requirements and identify methods and sources of funding. The committee will be authorized to prepare and submit applications for grants and other sources of funding, and further to accept monetary donations, arrange fund-raising events, and accept in-kind contributions and volunteer efforts. Further, to see if the Town will vote to designate the Board of Selectmen as agents to manage the disbursement of money from the Town Hall Capital Reserve Fund solely for the purpose of renovating and preserving the Gilsum Historic Town Hall. (By Petition)
4. To see if the Town will vote to raise and appropriate the sum of **\$2,000** to be placed in the Town Library/Office Building Capital Reserve Fund established in 2000. (*The selectmen and the budget committee recommend this appropriation.*) (Majority vote required).
5. To see if the Town will vote to raise and appropriate the sum of **\$2,000** to be placed in the expendable Health/Retirement Trust Fund established in 1995 for full time employees. The Board of Selectmen act as the Agent to expend/administer this fund. (*The selectmen and the budget committee recommend this appropriation.*)
6. To see if the Town will vote to raise and appropriate the sum of **\$362,505** which represents the operating budget. Said sum does not include special or individual articles listed above. (*The selectmen and budget committee recommend this appropriation.*)
7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
8. To see if the Town will vote to authorize the selectmen to issue permits, without charge, for supervised activities held on town property. Said permits to include the erection of temporary structures.
9. To see if the Town will vote to authorize the selectmen to appoint a committee to take charge of the observation of "Memorial Day" and "Old Home Day".

10. To see if the Town will vote to authorize the Trustees of Trust Funds to open new funds that may arise during the year.

11. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town for any public purpose as permitted by RSA 31:19.

12. To see if the Town will vote to authorize the selectmen, at their discretion, to convey any real estate acquired by the Town by tax collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.

13. To see if the Town will vote to authorize the selectmen to sell any pieces of non-real estate property, either by auction or private sale, said property to be advertised for three weeks prior to sale.

14. To see if the Town will vote to authorize the selectmen to apply for, Accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.

15. To see if the town will vote to authorize the selectmen to appoint a Human Services Committee to establish an infrastructure for a volunteer support and Outreach program for Gilsu residents. (By Petition)

16. To transact any other business which may legally come before this meeting.

# GILSUM PUBLIC LIBRARY

## Librarian's Report – 2000

As the millennium progresses, so does the Gilsum Public Library. We strive to serve the needs of our patrons. There is always the need for new patrons and we more than welcome everyone.

The library offers Interlibrary Loan Service through the New Hampshire State Library, and from other libraries in the area. Some newer releases are obtained through the McNaughton Book Service and we carry many current magazines. Our new video collection is growing and gives the patrons a nice variety of titles to view.

Some services for the community are a photocopy machine, Home Health Care and Community Service blood pressure clinics, flu shot clinic, and the purchase of mine maps, mine books, Gilsum postcards, Gilsum history maps, and the reproduced Gilsum History.

Children's programs, such as the weekly Story Time for ages 3-6 are presented by Judy Malott on Wednesday mornings 10:00-10:30. Summer Reading programs are always a fun time for young and old. This year a celebration of sundaes with home made "hot fudge" sauce was held for the program participants.

We hold our annual Yard Sale, Rock Swap Book Sale, and Old Home Day Book Sale to enhance the needs of the Library. Donations to any and all of these are most welcome.

Following further discussion, Article 7 was defeated by a majority vote with a show of hands. Mr. Hasbrouck stated that the budget amount needed to be increased by \$3,000.00 in lieu of excess legal fees. The amended budget is now as amended \$358,578.

## **GILSUM VOLUNTEER FIRE DEPARTMENT AND RESCUE SQUAD**

TO ALL OF THE RESIDENTS OF THE TOWN OF GILSUM, NH.

THIS PAST YEAR SAW A MAJOR CHANGE TO THE PHYSICAL APPEARANCE OF OUR FIRE STATION. THE NEW ADDITION HAS BEEN COMPLETED AND THE "OLD" STATION HAS BEEN VINYL SIDED, NEW WINDOWS AND A METAL ROOF HAVE BEEN INSTALLED. WE HAVE RECEIVED ONLY GOOD COMMENTS FROM THE MEMBERS OF OTHER DEPARTMENTS WHO HAVE SEEN THE "NEW" STATION. ALL OF THE MEMBERS THANK THE TAXPAYERS OF THE TOWN FOR THEIR SUPPORT.

THE DEPARTMENT RESPONDED TO 55 CALLS DURING THE YEAR. THIS TOTAL INCLUDED 16 FIRE CALLS AND 39 RESCUE CALLS. IN ADDITION TO THE CALLS, DEPARTMENT MEMBERS HAVE SPENT MANY HOURS WORKING ON THE NEW STATION. FOUR MEMBERS OF THE DEPARTMENT COMPLETED THE VARIOUS REQUIREMENTS FOR THEIR CDL (COMMERCIAL DRIVERS LICENSE) WHICH WAS COMPOSED OF CLASSROOM AND PRACTICAL TRAINING IN LEMPSTER, N.H. MEMBERS OF THE RESCUE SQUAD HAVE COMPLETED THEIR RECERTIFICATION REQUIREMENTS AS NATIONALLY REGISTERED EMERGENCY MEDICAL TECHNICIANS.

THE DEPARTMENT HAS A NUMBER OF PROJECTS WE HOPE TO COMPLETE IN THE YEAR 2001, INCLUDING THE CONSTRUCTION OF A SPILL TRAILER, COMPLETING THE REHAB OF OUR TANKER AND THE COMPLETION OF THE INTERIOR AND LANDSCAPING OF OUR STATION.

AGAIN, WE THANK THE TAXPAYERS FOR THEIR SUPPORT.

## **REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER**

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in accessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing **ALL** outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at [www.dred.state.nh.us](http://www.dred.state.nh.us).

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department **BEFORE** using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing **ANY** outside burning.

## **REPORT OF THE CEMETERY TRUSTEES**

We would like to take this opportunity to thank Mr. & Mrs. Charles Oke, of Springfield Virginia, for their generous donation of four granite posts that now mark the entrance and exit of the Centennial Cemetery. They are a wonderful addition to our beautiful Cemetery.

## **AUDITOR'S REPORT**

I Have completed the audit of the books and records of the Town of Gilsum, NH for the period ending December 31, 1999.

The purpose of this examination was to determine, with reasonable assurance, that the financial information was free of material misstatements. The examination included such tests that were considered necessary to satisfy myself that the financial information provided was free from material misstatement. In addition, I also reviewed the various accounting principles and accounting systems employed by the town of Gilsum.
